About Us

Our Story

In 2013 La Dolce Vita was acquired by the Willdenbrandt family, who have lived and worked in Oregon for over 60 years. Activity initially focused on the vineyard, with investments in equipment and farming practices to create outstanding plant material and great fruit. More recently plans were put in place to offer an estate pinot noir wine "CS900C", to be made exclusively with La Dolce Vita Vineyard's Mendocino and P11 French clone fruit. This new offering is extremely limited, and promises to be another fantastic representation of Pinot Noir, with fruit grown and wine made in Oregon!
