Why we focus on
protection.

Foaming hand purifier

Leading alcohol-based hand sanitizers dry out the hands and only offer 2 minutes of protection. Just one application of our alcohol-free foaming hand purifier hydrates the hands and offers lasting protection from germs and bacteria.

NoStench™ kitchen sponge

Make smelly kitchen sponges a thing of the past. Using the same great protective technology found in our other products, our NoStench™ Kitchen Sponge is guaranteed not to stink for up to 90 days!
