About Our Business

Connected Consultants is a collaboration of professional women who are currently leaving a lasting imprint in communities, businesses, learning institutions and various other entities by offering best in class, client focused services. Our network of diverse leader talent pool is vast, stretching across several states and industries. Our greatest strength is our network. We specialize in organizational learning and development, business operations, project management, research, data reporting, grantsmanship, diversity, and more. Within the network exists over 100 years of combined professional experience. Dedication to the change we want to see drives our service offerings to government entities, startups, established businesses and nonprofits
