CHIROPRACTOR BLAKE KALKSTEIN D.C.

Dr. Blake Kalkstein has one goal in mind when treating a patient—to get them out of pain and help them return to living their lives. His passion for chiropractic care was born at a young age, having had the opportunity to see patients experience the positive effects of chiropractic while under his father's care (Dr. Jeff).

Kalkstein Chiropractic is your one-stop-shop for state-of-the-art chiropractic care in Towson. Since opening its doors nearly 60 years ago, Kalkstein Chiropractic has been providing long-lasting relief care for patients struggling with back and neck pain, sports injuries, auto accident injuries and those who strive to live healthier lives.

It's our mission to provide affordable, convenient, and mainstream chiropractic care. We are committed to helping those with pain in our community.

YOU'RE IN GOOD HANDS

Each morning, our doctors begin work with one simple goal in mind—to get our patients out of pain as quickly as possible. We've had patients over the years that have come to our practice with debilitating pain that stopped them from enjoying life—be it nights out with friends and spouses or professional athletes eager to get back to the game they love. Whatever the case, we make sure to develop a custom treatment plan for each individual that we see, tailoring your adjustments and time with us to meet your specific needs. Our services don't just stop at relief from back and neck pain. We're proud to offer patients an excellent facility for functional exercise and rehabilitation designed to strengthen the body in order to prevent injury from reoccurring. Our doctors take pride in helping patients live their best lives not just through chiropractic, but also with nutrition and exercise recommendations.

A PARTNER IN YOUR HEALTH

At Kalkstein Chiropractic, we'll never force you to undergo treatment and don't subscribe to the idea that once you seek care, you have to continue to return. We welcome patients who would like to continue to receive care after they feel better and those who wish to come back in for a fine-tuning should their injury flare up in the future.

DISCOVER THE KALKSTEIN CHIROPRACTIC DIFFERENCE

Unlike other Towson chiropractors, Kalkstein Chiropractic goes above and beyond for our patients—from our superior office space of more than 4,500 square feet to our top-notch equipment and staff, we never stop putting you first. Learn how chiropractic care could benefit you by contacting our practice today. Walk-in appointments are welcome and we have convenient free parking behind our building. Stop living in pain.
