★★★★★ A great and soft waterproof mattress protector

It is a great waterproof protector. It has a soft surface. My little one occasionally spit water on our bed. We need a waterproof mattress protector, and this one perfectly fits our needs. It is a must-have mattress protector for the family with little kids.

This package is very good, when I opened the package, there is no smell, at first, I was worried that it could not be waterproof, so I poured all the water on it, too surprised, there is no leakage, also don't worry about your mattress will be dirty

Is waterproof and easy to wash and dry. I gave it 3 stars because it does make the bed warm. I had to buy a cooling mattress pad to go over top.
