Mural Wall Art Almost Lipstick - Black Honey

Sheer color, enhances your natural lip color. Can add coats to make darker. Not sticky. No flavor. One of the best lipsticks I've ever purchased. Feels smooth and moisturizing while wearing. No glitter, no obnoxious shine. Looks almost black in tube but is not a dark shade.

Mural Wall Art Almost Lipstick - Black Honey

This looks like it would go on REALLY dark, but it is surprisingly light and exceptionally smooth! I'm a white girl, and this isn't too dark. I prefer a natural look and this still totally works. I'd say it's similar to having red-wine stained lips. It's a gloss, not a thick lipstick.

This would work on light or dark skin. It is the smoothest, creamiest lip gloss I've ever used.
