Product Feature :

【High Quality Solar Gazebo Lights】 The factory equipped sophisticated and 180 degree adjustable monocrystalline silicon solar panel plus the inbuilt 800mAh rechargeable battery, which can be recharged without sockets and wires. When the built-in NiMH battery saves enough solar energy in the daytime, the string lights can automatically work for 8-10 hours at night.

【IP 65 Waterproof】 Solar powered fairy light is made of solid materials and has IP65 waterproof function. This feature enables it to work continuously for 365 days and be suitable for outdoor use, creating a pleasant atmosphere for courtyard, lawn and tent.

【Widely Used】 These outdoor balcony lights are the perfect decoration for terrace, pergola, bistro, backyard, deck, barbecue, umbrella, dinner, birthday, Christmas, New Year party and more.

【No Hardwiring, Flexible and Easy to Install.】 Push the stake into the ground or mount the bracket on any wall. (easy to unscrew the solar panel from the bracket without removing the whole bracket.)
