The Card Zoo Manicure Set, Stainless Steel Professional Pedicure

I bought this for my wife as a gift. I expected her to know what all was in here and know what to do. We actually had to Google some of these things to figure out what you are supposed to do with them!

All the tools seem to be high quality and made well. No complaints!

The Card Zoo Manicure Set, Stainless Steel Professional Pedicure

I really like the leatherette case, the black and red design goes great together. Everything came just as expected! Overall this is a nice set. The only thing I didn't like was that the tweezers were straight instead of angled and made it a little harder to get a good grip.
