**Product Feature:**

2GB USB Flash Drive with great cost performance and high quality, multiple color and capacity choices. You can store music, photos, movies, designs, manuals, programs, handouts in a quick speed.

The metal side has a 360° rotation, which allows you to carry without annoying cap-loss problems. Covering and protecting the usb end while carrying it around and turn back in any position, for the most comfortable use. Cap less design with integrated loop makes it easy to attach to key chains, backpacks and etc.

Plug and work, no need to install any software, just simply plug into the USB port of computer or other devices and use it! It support windows 7 / 8 / 10 / Vista / XP / 2000 / ME / NT Linux and Mac OS, Compatible with USB2.0 and below. It works with virtually any computer or electronic device with a USB slot, this flash drive lets you leave your laptop at home but still take your vast amounts of content with you to share with family and friends.

100% Satisfaction Guarantee - All of usb drives have been rigorously tested and formatted before leaving the factory. And We offer a 12-month manufacturer's warranty and lifetime friendly service support.
