Product information:

【Fast Charging & High Efficiency】 : This Quick Charge 3.0 Wall Charger is faster than common chargers. Give you a high speed, but not overheating charging experience. Please confirm: your device supports Quick Charge 3.0/2.0 & needs a fast charge USB Cable.

【Safety Assurance】 : CE & FC Certified, and has a fuse-protective system to defeat extreme working condition, like overcharging/over-currents/overheating. Also provide safer and more recharge rate for your USB powered devices.

【Portable & Convenient】 : 3 pack chargers are thoughtful to use for home and office or other places. Lightweight size with 100-240V input, ideal for worldwide travel, especially put in your pocket or bag during business trips or vacations.

【Widely Compatibility】 : Support quick charge technology (qc3.0/qc2.0/qc1.0), and all standard USB-powered devices, including Android and iPhone, especially perfect for 10W Qi Wireless Charger and iPhone Xs, iPad Pro, Samsung Galaxy S10/S9/S8 Edge, Google, LG, HUAWEI.
