Must put it on correctly to get grip!

Reviewed in the United States on September 22, 2020

Color: Beige **Verified Purchase**

This headband has been a true blessing for me. I saw a few other reviewers said that it did nothing for them. I think the problem might be that they didn't have it on correctly. This type of material has a nap, meaning one way it feels very smooth when rubbed in one direction and it feels rough when rubbed in the other direction. When you place it along your hairline at the forehead the nap of the fabric must feel rough when you move your hand from front to back of the headband. Also DO NOT have it pulled to tight with the velcro closure. If it is too tight it has a tendency to move back off the hairline. Then you loose your grip. I can wear it about 8 hours + until I feel it has loosened a bit. I just need to adjust it and it is great once again. it is VERY COMFORTABLE and excellent quality. It makes wig wearing possible. No more bobby pins that dig into your skin.

I jus started wearing wigs about 2 weeks ago. Hated the feeling that they were gonna slide off! Went to YouTube to search securing wigs and found this item!! Ordered it and y'all i am thrilled to death!! Who knew a lil piece of velvet turned the correct way could secure your hair an make you feel even more confident about your situation!!!

I would highly recommend WIG GRIP to anyone that wants to feel like they can be normal again!!!

Fixin to go buy me another one now jus to have an extra one!!!!

These allow you to wear your wigs with ease. Once it is on you can thrash your head all around without losing your wig. It also is much cooler than a wig cap.

Clever idea !

This is a great product! The adjuster on it makes it easier to adjust. It has a nice comfortable fit. I have the black one and a tan one. The black fits a little looser, from day 1. However, it still works fine. I prefer this one over the Velcro ones now!
