

A close-up photograph of three young girls with dark hair, smiling warmly at the camera. The girl in the center is the most prominent, with her face slightly to the left. The girl on the right is also smiling and looking towards the camera. The girl on the left is partially visible and slightly out of focus. The background is a soft, out-of-focus blue and white.

Girls Empowerment Workshop

You Were Created To Be Strong!

This Girls Empowerment Mastery Sessions (GEMS) cover topics such as: building resilience, dealing with bullying, organization, time management, sharpening communication skills, and much more. This year's program is supported by the Jose Milton Foundation.
