For people who value Style, Comfort and Convenience, the Revolution is a lovingly-crafted, ready-to-wear instrument made from Hapton fabric and features the Whisper Strap. Premium materials and superior design give your hand a loving embrace that will feel magical from the moment you slip it on for all-day comfort. With unisex sizing and ambidextrous design, the all-fabric Enticio Revolution will improve the quality of your digital experiences by making it easier to do almost anything that requires touch.

Key Features:

- Includes the adjustable Whisper Strap for a perfect fit
- Works with Digital Tablets (with or without screens/stylus)
- Superior Palm Rejection on any Touch Surface
- Ambidextrous design (you could wear two)
- Cleans as you use it with Consistent Surface Resistance
- Helps prevent transfer of Dirt, Oil and Germs
- Part of any Tech Hygiene maintenance routine
- Handcrafted by Skilled Artisans from Premium Materials
- Anti-fouling on Traditional Surfaces

The Revolution comes with a drawstring carry bag for convenience.

WELCOME TO THE REVOLUTION

The Revolution is the perfect balance for people who prefer their luxury to lean toward practical styles.

Leaving fingers free for "digital" gestures on touch surfaces, this lightweight, all-fabric design is constructed from Hapton™ and provides an unparalleled level of Comfort and Convenience for All-Day Wear. As "The World's First Fashion Instrument for Touch Surfaces™," the Revolution provides perfect Palm Rejection, Passive Cleaning and achieves Infinite Adjustability, courtesy of the Whisper Strap for a perfect fit every time. Exclusive to the Revolution, this comfortable, microfiber strap is durable and soft as it wraps your wrist in a gentle embrace that seems almost magical at first. And like magic, it will seem to disappear as you quickly forget that it's there; before you know it, you are getting more done! So, for unmatched Performance and Style, put the Enticio Revolution to work for you.
