ENROLLMENT IS CLOSED

**until next year*

When you have a great toy idea, but no contacts in the toy industry, where do you start?

If you're a fan of podcasts and toys then you may know my highly-rated podcast, Making It In The Toy Industry. But even my most helpful episodes are only a fraction of the journey you'd go on as a toy creator, inventor, or entrepreneur. **Toy Creators Academy** is the **first-of-its-kind online course that shows you how to creatively and physically develop and market your toy ideas.** *Fast track your toy education* with this six-week course led by a multi-patented toy industry vet.

Develop and Pitch Your Toy Ideas Like a Pro

Hi there! My name is Azhelle aka The Toy Coach.

I've worked in toys for over 10 years as a toy designer and brand manager developing multi-million dollar toy product lines.

Now, I'm going to help YOU break into toys.

- Gain access to top toy industry talent
- Learn to work with China-based factories step-by-step
- Develop products that kids love and buyers want
- Position yourself like a pro-toy inventor or entrepreneur.
