This big bear is cute, soft and huggable! My daughter loves it. Well packaged with care, no off odors, and is well made. I'm really pleased with the quality of him. He's a nice weight and has a really cute face and a fat belly. Just what you want in a cuddly bear!

★★★★★ My German Shepherd LOVES this toy!

My German Shepherd LOVES this. He was so excited when he saw it in the box. Its his best buddy. My GSD is not a ripper or a shredder, so I dont have to worry about the stuffing or pieces being pulled off of it. He just likes to be with it. It is really soft and cuddly, if you are purchasing it for a child, or an adult. Honestly, I wanted to keep it for myself, LMAO, but it was his and he loves it.

I gave this in yellow to a woman who had just lost her husband of 56 years. I wasn't sure she'd be happy about it, because you never know how someone would accept a gift like this. I lost my husband two years ago, and I had a dog and it saved me...it was soft and cuddly. Well this woman didn't have a dog, lived alone, and so I bought this for her. She was ecstatic! I've never seen her smile as much as she did when I gave it to her...and she confided in me she sleeps with it!

I bought this as a gift for a friend who is expecting her first baby. I'm giving her a gift card but think a gift card by itself is so impersonal so I got this teddy bear to tie a gift card around it's neck. The bear is large-larger than the baby will be at 17 inches. I wasn't expecting it to be so big but that is my fault for not measuring. The measurements were given.

This bear did not disappoint! We actually got this as a gift for our dog and he LOVED it. He laid in it, snuggled with it, and ultimately tore it a part. But this would also be a perfect gift for a human. It truly is a giant stuffed bear. I was very impressed by it and wanted to keep it for myself.
