Insulated Flask with Removable Stainless Steel Tea Infuser Travel Mug

TEA INFUSER BASKET: It will hold more fruit and tea, and reaches further inside the bottle for better fruit infusion or tea infusion. It is made of 18/8 stainless steel, and is rust proof. The size, design, and flexibility of this infuser make it the best way to brew and infuse on the go

WITH 2 LEAK PROOF LIDS: The flask comes with 2 leak proof lids, BPA free, secure seal so that your liquids always stay safely in the bottle and provide easy carrying when you're traveling

VACUUM INSULATED: Double-walled stainless steel with insulated copper layer between reduces transfer of temperature to the outside, this design keeps water cold or hot for hours

SUITABLE FOR INDOOR & OUTDOOR: Take insulated water bottles full of cold or hot water to a car trip or outdoor sports like hiking and camping trips. Reusable tea bottle and portable infuser is the perfect all-in-one travel bottle

QUALITY ASSURANCE: Our core is to produce high quality insulated water bottles. Please contact us if you have any issue about the quality.
