【Foldable Design & Save Space】 QY SpeedCube treadmills for small spaces and easy for storing and moving. If you have a small home gym or space is at a premium, folding your treadmill up and/or wheeling it out of sight is a great option to have. Folded dimensions only 59" x 27" x 8" . Equipped with two transportation wheels, it can be moved smoothly in the limited space under the desk, sofa or bed, etc..

【Walking & Running Portable Treadmill】 There are two sport modes for QY SpeedCube compact treadmill: when you choose the walking mode, it can be used as a jogging machine at a speed of 0.5-2.5MPH. While running mode, the speed range is 2.5-5MPH. Maximum load capacity 220LBS which suits for majority of people. Caroma small walking machine will give you another way to enjoy sports.

【Strong & Quiet 2.5HP Motor】 QY SpeedCube treadmill has a powerful 2.5HP motor, smooth and ultra-quiet, durable steel frame make up the treadmill's steady & noise reduction system, keeps low noise, you can walk or jog comfortably at home or office, without disturbing families, neighbors, colleagues or even yourself. QY SpeedCube treadmill allows you to walk or run quietly.

【Shock Reduction System】 4 layer shock-absorbing non-slip structure running belt addresses the traditional treadmill knee injury problem, provide safe cushioning for your back, joints, knees,

ankles, and muscles. Put the Caroma treadmill at home or in the office, you can walk at any time. Whether you want to relax after dinner or after sitting for a long time, you can enjoy relaxing and quiet walking exercise.

【Multi-functional LED Display】 The LED display of the treadmill will monitor your distance, speed and time, easy to read, so that you always know your training status. Exercise more effectively and scientifically. The QY SpeedCube treadmill has 12 preset programs that allow you to easily perform one-button operation. Compact treadmill for small spaces. Super clear touching button brings a comfortable visual experience.
