FEATURES

[WATERPROOF 4 SEASON TENT] The WILDSROF 4 season tent is made of high quality material which is fully rain proof and extremely light weight. Rugged 210T anti-tear checkered polyester resists wear and abrasions. The special coating features excellent UV-resistance and the PU 3000mm water-resistant finish enables it to shed snow and rain quickly

[DOUBLE LAYER TENT] Features two layers for excellent weather protection and ventilation. Inner layer can be used alone in warm, dry weather for great ventilation and maximum enjoyment of the natural surroundings. Easily add the outer layer for privacy and to keep the wind and inclement weather out. This versatility makes this an excellent tent for four season camping. The double stitched seams are sealed to keep rain out and for durability
