- 0° or 15° Adjustable: 15° tilted design protects your pet's cervical spine, which helps to release the pressure on the pet's neck. This bowl provides your pets with super easy eating and a comfortable licking experience
- Perfect Feeding Stand: Comfortable feeding height can promote the digestive health of pets, perfect 2-inch meal height provides maximum comfort, reducing the pressure on pet joints and abdomen. 4 curved anti-skid rubbers on the bottom to prevent the bowl from sliding, and also protect the hardwood floor from scratch
- Premium 18/8 Stainless Steel: It's the most commonly used in kitchen wares and the perfect choice for pet food bowls. Unbreakable, less likely to breed bacteria, harmless to pets and the bowls are dishwasher safe
- Easy to Rinse and Clean: The stainless steel bowl and ABS stand are detachable, which is easy to take out. And the rounded edge bowl with No corner is easy to keep clean no matter when using the dishwasher or hand-washing
- Choose for cats and small dogs: This feeding bowls are about 4.8 inches wide and about 2.13 inches deep. Deep enough to hold your pet food without spilling. Two bowls for sharing or use as a full dinner set with food and water for one pet
