This Goutoports Help Wanted Laundry sign is a cute look for any laundry room. The sign is lightweight tin and well printed with an aged vintage look that should last well. The laundry room isn't meant to be a fun room but adding a little levity and charm can make even washing, drying, and folding seem a little less tedious. And who knows, maybe you'll actually recruit a little help along the way, right?

It is made of a thin tin with rolled edges so they aren't sharp. They do bend super easy but any unwanted bends are just as easily removed with light pressure bending them in the opposite direction. A little distortion adds to the rustic charm IMO.

You could attach them at the corners using the included holes, they talk about thumb tacks or nails but I am thinking I would use a rounded head either antiqued bronze or black Philips head screw on each corner. For now I am using the included putty.

There isn't really good instructions on the putty and if you've never seen it before it could be confusing but [Read more](#)

★★★★★ **Cute and fun laundry room sign**

Reviewed in the United States on October 16, 2020

Size: 7.9x11.8 Inch | **Vine Customer Review of Free Product** ([What's this?](#))

This cute laundry wall decor sign looks even better in person than on the picture, and adds the much needed charm and fun to my laundry room. It measures 11 3/4" x 7 7/8" and it is made of metal but gives

that old, vintage, distressed wood look, especially from a distance. All the edges are folded over so they are not sharp. The sign is light but sturdy. There are 4 pre-drilled holes, one in each corner. The nails are not included but there is a stick of putty, which I used to hang my sign, and it holds it perfectly and I don't have to worry about holes from the nails if I decide to change the location of the sign.

If you are looking for something to spruce up your laundry room I greatly recommend this fun and attractive sign.

This is just the cutest sign. It's metal, but has a rustic look to it. (like an old wooden sign).

It comes with an adhesive for hanging, but there are also two small holes on the top corners where you could use nails to hang it if you choose.

I have mine set on the lip of the sink in the laundry room, and it really brightens up the room.

Whether or not you like doing laundry, this little cutie will add some fun to wash day!

This sign is a very nice addition to any laundry room in my opinion. The art work is very vivid and nice. The colors are wonderful. It is just the right size to put in a laundry area, not too big but, big enough to be noticed very nicely. It hangs easily and seems to be very durable. I feel a good value for the money. It's just a very pretty sign.

Cute sign! It comes with a putty like adhesive that sticks it to the wall. I get so many compliments on this sign and it's a perfect addition to my laundry room. It's durable because it's made out of a aluminum like material.

Just perfect, not too thick but not flimsy. I like gooey sticking material (looks like warm chewing gum). Can be also hung by nails. Colors are good and vintage looks is not over the top.
