Description

Reviews (1)

- Size: The outer border size of each 8x10 frame is about 10x12x0.6 inch. One wall black picture frame fits 8x10 inch photos with 2mm thickness white mat. **【Please NOTE: The mat opening size is 7.5x9.5 inch, it can better press and hold your 8x10 photos. If our frame mat opening size is actually 8x10, your photos will be easily fall out from picture frame.】**
- Decorative synthetic wood picture frame set of 4, which can hold six 8x10 photos with mat included. The black frames is made of wood composite material, it may be look like plastic but not plastic.
- The 8 by 10 inch black photo frames come with hanging hardware and an easel on the frame, which can be hung vertically or horizontally on the wall or displayed on tabletop.
- Each frame with glass front helps you protect your valuable photos and artworks from dust, scratches and preserve for years. Easy-open tabs on the back make you load your photos quickly and easily.
- DECORATE YOUR HOME: These beautiful 8x10 frames look great on your wall or anywhere in your home or office. Build your own gallery wall or use the frames as gifts for friends and family.
