Product information :

Cooking Helpers: the one piece design silicone spoons are characterized by high temperature resistance, provide convenience to stir and mix food during cooking, no need to worry that they would melt.

7 Colors: you will get 7 pieces silicone stirring spoons in different colors including red, green, blue, pink, orange, light blue and light slate gray, can be easily classified.

Proper Size: the silicone spoon is approx. 20.6 cm/ 8.1 inch in length, long enough to avoid being scalded by edges of the pan or pot, comfortable to grip.

Quality Material: the silicone mixing spoons are made from silicone, non-toxic and non-slip, lightweight to use, smooth edges protect your hands and tableware from scratch.

Easy to Store: a hole on the end of the colorful serving spoon allows you to hang it from to dry, occupies little space, avoids water gathering and keeps sanitary
