Submit order status

Select status: The status is not allowed to be repeated, but it is allowed to be cancelled after submission, and can be reactivated after cancellation; each step of the operation is recorded in detail.

brief introduction:

Whether to notify by mail:

Submitted by: [Webmaster 1/13/2021 1:29:31 AM]

If the order status includes **Paid, Payment Confirmed** or the last item is **Refund, Void, Canceled** , the client no longer has a **Pay for this order** button.

Modifying or adding the status **Shipped or Canceled** will change the product inventory and sales volume. The system judges whether the order is executed or not according to this.
