Clear Image - Interior rear view mirror is made of especial glass, good to reflect natural, clear & real images. Prevent overlapped, distorted images and reflection when driving.

Wider View - No more turning your head or straining your neck to look over your shoulder for better visibility! This rearview mirror maximizes and provides wider-angle view and perfect visibility, eliminating blind spot effectively for safe driving. With this car wide mirror, you can see the entire back windows, back side windows as well as most of the upper half of the back seats.

Antiglare Function - This blue tinted antiglare car rearview mirror, made of high definition and toughness glass fiber composites, can filter out the light of c that ensures a crystal clear view without distortion throughout day and night. The blue tinted mirror resolves the dazzling problem when driving at night.

Anti Shake & Anti Splash - The four clips of rear view mirror firmly holds the original car mirror to avoid shaking or even falling off when driving on highway. Furthermore, its anti-splash design can prevent broken glass flying out of the frame to hurt you or passenger even if the mirror cracks in accident.

Universal Type & Easy to Install -The size of rear view mirror is 11.2 X 2.9 inches, fits the 50-95 mm original baby mirror. Its stretchable-clip enable universal vehicles, like cars, SUV, CRV, Vans and Trucks. Finish installing within 30 seconds. This car mirror comes with two adjustable clips. you just need clips, put down the lower clips to hold tightly, adjust the angle and finish, super easy to install and disassemble.
