The extra thick 6mm mat protects joints without compromising support or stability. No more sore knees and elbows. Ideal for use on hardwood floors. And at 72" long x 25 1/2" wide it's a large yoga mat suitable for short and tall yogis alike
- Longer Wider Grippy Not Slippery: wide yoga mat has reversible non-slip surfaces so you can perform any movement with confidence. Wavy underside stops workout mat from sliding on floor.
