AIONCDER NITRILE RUBBER ,1 ROLLS, ROLLS 1/16" (.062") THICK X 11.8" WIDE X 47" LONG SOLID RUBBER

- [Super high quality rubber] -AIONCDER is the world's leading distributor of rubber products with more than 30 years of experience. Our rubber is made in China, and our quality is second to none. We complete orders of all shapes and quantities.
- [Strong, durable, flexible]-Our rubber is praised for its outstanding durability, elasticity and strength. Under a wide range of temperatures and conditions, it remains strong and flexible, making it suitable for almost any imaginable use.
- [DIY Projects Galore] – Easily cut these rubber sheets into DIY gaskets, pads, seals, crafts and more! Nowadays, rubber is used for almost all purposes-known for its long service life, cushioning, waterproof properties and flexibility.
- [Noise reduction]-Prevent unnecessary vibration of stereo speakers, furniture, washing machines and dryers. Rubber is the best material in the world to absorb shock and vibration.
- [Advanced sealant and protective agent]-Our rubber sheet can be used to seal pipes, insulate wires, and even protect hardwood floors through its cushioning properties.

PRODUCT DESCRIPTION

Style: Rolls 1/16" (.062") Thick x 11.8" Wide x 47" Long

Strange materials that can really be done! The ideal size rubber sheet for most purposes. We offer various types, sizes and volumes of rubber sheets and film. - Handicrafts that require soft and strong materials to maintain their shape-DIY rubber gaskets can be easily made using these high-quality rubber sheets-cushions that reduce noise or prevent wear-furniture, equipment or anywhere else! -Can absorb any kind of shock, hammer or vibration-cushion or soften sharp edges. Our rubber is known for its excellent quality-strength, hardness, flexibility and durability in various temperature and application ranges. It is strong enough-they can use it on super heavy machinery such as airplanes and tires-and then we think it should be strong enough for home DIY projects. But just in case, for whatever reason-we are also passionate about customer service. With more than 30 years of experience in this industry, we have heard everything and have helped customers solve all their problems. Call us anytime.
