Made Safe for Travel & Built to Last

Your furry family member will love their comfy home as they go with you on your travels. Eledume's industry-leading plastic kennels are fully compliant with air and highway travel requirements so you and your little buddy can relax.

(Meets most air travel requirements. Please contact your specific airline before traveling for verification of their requirements)

Fits All Shapes and Sizes

>

Eledume knows you want your little fur babies to be comfy, cozy, and safe in their kennels, no matter where they are. There's a premium plastic kennel from Eledume that's perfect for your pet to relax and sleep peacefully in.

Designed for Comfort

Your pet is your family. You want them to sleep as comfortable as you do. With that in mind, Eledume builds it's industry-leading plastic kennels to minimize sharp edges and provide a safe, inviting place for your little fur baby to rest.

Satisfies Natural Denning Instincts

Your dog loves feeling safe and secure in their very own space. Eledume's industry-leading plastic kennels satisfy their instinctual desires to be snug and comfortable.
