VACUUM CLEANER

I am really surprised how effective this vacuum is! I cleaned my stairs and carpets very well, and rolled smoothly on the hardwood floor. It is easy to maneuver through the rotation function and it is not too loud! It is too powerful to vacuum my bath mat, it sucks too hard to roll, so it is not suitable for small carpets, but it can suck my hair and cat's hair well. How much money was picked up in about five minutes! !! Highly recommended! !!

VACUUM CLEANER

I was so surprised! I chose this instead of the cheap dirt devil at \$9. So I went to gpad! Great suction. We got it from moving to a home with hard floors. We used it on the flat carpet in our old house, wow! We have two dogs and two cats, and a messy toddler who picks up baby's tangy snacks, bread crumbs, pet hair, and even a little baby powder that has been rubbed on the carpet. Our previous bulky, bulky, \$60 vacuum cleaner with bristles has never worked on these same carpets! Get this vacuum cleaner. It is lightweight, powerful and easy to use, the wheels and rotating shaft are perfect for reaching hard spots!
