As the leading waterfront specialists for Realogics Sotheby’s with the top sales record in 2020, senior global real estate advisor Becky Gray and The Gray Team have only just begun. For more than 20 years, Gray has been a market-leading broker with more than a quarter billion dollars in sales to her name. Specializing in residential real estate in Seattle and on the Eastside Waterfront, Gray says her buyers are looking for destination homes outside city center. “Many seek luxury amenities, including pools, theater rooms, home offices, gyms and extra square footage,” she says. Living on Lake Washington is among the most coveted opportunities—something Gray and her team understand more than most and why their market knowledge is in such high demand.

**GRAY TEAM**  
THIRTY YEARS. ONE FAMILY LEGACY.

There is something to be said for the power of a legacy. For the sophistication and trust of an established brand. Over the last thirty years, Becky Gray has built on this approach to legacy: earning a sterling reputation in real estate for depth of market knowledge, a straightforward business approach, and impressive results. The Gray name is synonymous with experience.

The real estate industry is evolving—with the ever-shifting landscape of a global marketplace and technological innovation—so, too is the Gray name. It is in that spirit that Becky is pleased to formally introduce the Gray Team, a partnership with the next generation, Alex Gray. Together, the duo has added new layers to their business approach, incorporating cutting-edge technology and expanding their services to suit the ever-changing needs of their clients. Whether assisting a first-time buyer through their inaugural real estate journey or demonstrating the expertise that commands great success in distinctive property representation, there is one thing that remains true: the Gray Team ensures that every client is a part of their legacy.

**A WORLD OF POSSIBILITY ARRIVES ON BELLEVUE’S OLD MAIN STREET**

As founding members of the new Realogics Sotheby’s International Realty (RSIR) branch office in downtown Bellevue, the Gray Team is thrilled to introduce their clients to a truly unique real estate concept in the heart of Old Main. The new office fuses café and cocktail lounge operated by Joe Vilardi with real estate show room, co-working lounge and executive offices. Bellevue is one of the region’s fastest-growing markets and has experienced myriad changes that will appeal to those looking for culture, style, outdoor adventure, and world-class living—all in one destination. Cheers to RSIR, Joe and our fellow founding members.
