

Eduscize Highlight

Let's Get Eduscized!

MISSION

The mission of Eduscize is to inspire and motivate a generation of learners to a new way to achieve; academically, socially, physically, and emotionally.

VISION

The vision is to find a new way to use physical activity, movement, and play to motivate students to academic achievement.

GOALS

1. To motivate students to connect academic competition to fitness competition.
2. To increase our student math achievement through kinesthetic learning.
3. To inspire students to value their personal, social and emotional health while embracing a growth mindset.
4. Drop the tech and get outside!
5. Increase our students' motivation to reach 60 minutes of daily activity.
