- **RECHARGEABLE** - Powered by 3.7v lithium-ion rechargeable batteries with a storage power of 2000MAH, which is long-lasting. There is LED indicator light on the back: it is red while charging and turns green when full-charged.
- **HANDY & HAND-FREE DESIGN** - Comfortable handle makes it pretty handy. The strap catch at the end of the handle enables easy carrying with strap. The adjustable bracket also provides hands-free use while you are working.
- **CHARGER & CIGARETTE LIGHTER** - Comes with a USB charger (Input: 100-240V, 60HZ; Output: DC 9V, 1000MA) and a cigarette lighter charger (9V).
- **PREMIUM QUALITY** - Made from tough, impact resistant ABS and polystyrene to protect the system from drops and bumps while in use. Going through 1M drop test and temperature environmental test, the spotlight can well resist the 1M-impact and temperature from -40° to 60°.
