PRODUCT DESCRIPTION

sxzyhtkj Cell phone cases with Card Holder, Vegan Leather Case for iPhone 11 (6.1-inch)

- Fabric + leather case: Crafted with Skin-friendly cloth and premium PU leather to create a unique, stylish and high-quality case.
- Wallet + card case: 1 separate card slots for carrying your 3 most important cards (credit/debit/ID card) and cash, allowing you to go wallet-less when necessary or convenient. Note that we do not recommend more than 3 card per slot for proper performance
- Camera + screen protection case: The camera lens does not protrude out of the back of the iPhone card case, so you don't have to worry about laying the phone on the camera glass and scratching it. This bumper cover has a lip so you can put your phone face down and not worry about the screen being scratched by a surface
- lightweight + slim case: Form-fitted and light design makes your phone comfortable and easy to carrying, with 3 cards inserted, the case and phone are still less than 14 mm thick
- Wireless Charging + Aluminum buttons: Compatible with 6.1 inch iPhone 11 (2019) only, please check your cell phone model before buying. You can keep it on all the time, even when you' re charging iPhone wirelessly. Built-in aluminum buttons offer great touch-control of your iPhone

Product description
