If you have an android, you will hate this app. The touch isn't responsive on android devices. The app developers focused on development for ios users. I have an android phone and an iPad. The ios system never gives me problems. All my employees who are running the app

on Android report the same pro...

Boulevard Labs February 4, 2021

Hi Amanda, we're sorry about the lack of this feature. Pinch-to-zoom is something we're exploring, however it is possible to change the calendar size under Settings > Calendar. We'd appreciate your suggestions for further improving the app, please get in touch via https://www.joinblvd.com/contact if you'd like to discuss this further!
