Operation: Greenspace enlists those at-risk for voucher opportunities. The group offers donated smart devices to help those at-risk communicate with our brigade Outpost 422 pressroom. The group is seeking:

- Five board members and five trustees for startup.

- To help connect those in the 11th hour with hope.
- Seeking to create a brigade worker cooperative.
- Operation: Greenspace street teams counsel those at-risk at Outpost 422 through Service Officers.

The fundraising goal of \$25,000 will help pay for the website and the cell phone collection point. Bradley Burt, cooperative president, pitches to 1 Million Cups Appleton on Wednesday April 28, 2021, making official announcement through his class project called, "Autumn Landmine Productions."

The group seeks to take over the Wisconsin State Capitol guardian angel missions of the past to create an internet cafe. Proceeds go to creating the 422nd Rescue and Recovery Brigade State Street Mission to host a case study through the University of Wisconsin.

Veterans Act of 2019: Are you eligible?

ON APRIL 20, 2021 / BY BRADLEY J. BURT / LEAVE A COMMENT

The Veterans Administration began receiving claims from Navy Veterans who served in blue water during Vietnam starting January 1, 2020.

The buddy check question: Are you eligible?

H.R. 299-The Blue Water Navy Vietnam Veterans Act of 2019, became law June 25, 2019. The bill was introduced by ranking member Representative Mark Takano of the House Committee of Veterans' Affairs.

The U.S. Department of Veterans Affairs provides eligibility information through *Choose VA* communication. The information outlines what a veteran can expect when claims receive approval.

The Veterans Administration offers a "Vessel Locator Tool" for those who question their eligibility. The locator tracks records and digitizes deck logs scanning names and providing the beneficiary with a quick answer.

Please take a minute to reach out to the VFW, DAV, or the American Legion for assistance. Membership provides opportunities to serve and help the community.

Please feel free to leave a comment or reach out to a Service Officer by filling out the contact form.
