1 week summer camp each month from June-Aug.

Week 1: June 28 - July 2 | Nature Explorers

Kids will immerse themselves in nature, insects, rocks, soil and also learn about teamwork! They'll explore and learn more about the living things in nature, plus get some vitamin D by spending time outside to do physical activity, science, and more!

Week 2: July 5 - 9 | Creators and Inventors

Kids will learn about various inventions, build things from scratch, learn about the design process, and practice perseverance. They will be inspired by all those who came before them while moving their bodies, doing interesting hands-on activities and socializing with other kids!

Week 3: July 12 - 16 | Food Around the World

Kids will virtually travel to different parts of the world and learn about the different cultures through the lens of food and spices. They will create a fun food-themed board game and learn about being courageous and brave. By the end of camp, your kids may be open to trying more new foods!

start date. A \$35 per session processing fee will be deducted from all refunds. No refunds will be made fewer than two weeks prior to the camp start date.

Camp Registration

For all new campers, parents must submit a completed camp registration for each family here: <https://www.springspot.co/summer-registration>. Registration is valid for the full summer. School year registration is separate.

Week 4: July 19 - 23 | Underwater Explorers

Kids will virtually go under the sea, learn about marine life, and learn about various habitats, while also doing fitness, reading, and flexing their social emotional skills. Campers that attended last summer will enjoy a few familiar favorite activities as well as new and exciting crafts!

Week 5: July 26 - 30 | Space Explorers

During this week of camp, kids will look at space stations, being an astronaut, and learn more about our fascinating planets, stars, moon, sun and more! They will have a week-long project that will let them be creative, focused and have fun! Returning campers will be pleased with the new additions as well.

Week 6: August 2 - 6 | Sports and Olympic Games

Although the Summer Olympics will look different this year, we'll be celebrating the amazing athletes and their dedication to their sport and delving more into how the human body systems work together to enable us to move, jump, skip, twist and more! The Games run from July 23 - August 8, with swimming and gymnastics taking place until

Week 7: August 9 - 13 | Food and Earth Explorers

Kids will learn all about how plants grow, the food cycle, gardening and much more! A new camp theme for us this summer, kids will learn much more about the connection between the food they eat and the earth it comes from. If your kids love the outdoors, learning more about nature and are curious, this is the camp for them!

Interested in all seven sessions? Email us info@springspot.co and we can offer special pricing.

Camp Details

Schedule: Monday - Friday, 9:00 - 11:30 am PDT via Zoom. Afternoon offline activities will also be available. A 10 min screen break is also included in each class.

With our week long Summer Camps, your child gets the opportunity to move their body, enrich their mind and nourish their soul. Led by a warm and engaging instructor, your child will delight in interacting with other campers, asking questions, and learning. Plus have a lot of fun!
