

## ○ kartury portable 15W fast type c cable battery cell phone charger holder car wireless charging Cell phone battery chargers for use in vehicles

\$99.99

- **【Smart Automatic Sensor Design】** Automatic opening and clamping design which can be operated with one hand and make everything easier and safer. Just place your phone inside the holder, the clamps will close and provide a strong stable hold. A gentle touch on any sides of the quick release buttons, the arms would automatically open. When your phone is fully charged, the wireless car charger will automatically power off and last the life of battery of your phone.
- **【Wireless Charger & Phone Holder】** Design Combines the Wireless Charger and a car phone holder. Wireless car charger offers fast charging for your phones and save you from the messing with cables and cases while driving.
- **【Thick Case Friendly & Faster Charging】** No need to take off phone case (most of phone cases in the market except rugged, uneven case.) while charging. The car holder can hold

all phones with a width of 60-80mm tightly, which works very well for all Qi-enabled phones. Max 10W Fast Charger for Samsung S10/S9/S8/S7/Note 5, Max 7.5W Fast Charger for iPhone XS max/XS/XR/X/8, 5W for Other Qi-Enabled Phones. For 10W, 7.5W fast charging mode, QC 3.0 car charger adapter is required as its power source.
