b+YOU

Bridging the gap between costs, benefits, and experience

Market driven data helps you save money.

Employee Benefits

Benely's marketplace analysis saves businesses an average of **11%** on their health insurance.

HR & Compliance

Our HR consultants are available all year round to provide your HR staff accurate advice.

Managing your benefits efficiently?

BENCHMARK YOUR BENEFITS

See what our clients say about us

Rapt Studio

Benely has serviced benefits management at two organizations I have been a part of, and they are an incredible partner. They take the time to understand our company needs, and provide a holistic and thoughtful service.

Margaret H.
Head of Finance

CUSTOMER STORIES

Benefits Consultants With The Technology To Back It Up

EMPLOYEE BENEFITS

Let our Benefits Advisors better manage your insurance program. Our approach helps build a successful future for your business.
