Video Editor & Video Maker - InShot - Apps on Google Play

having to edit different scenes together for an audition. very very simple thing to do, but other apps seem to have many complex steps or tricky bits to get something easy done. was recommended this app, and straight was able to do exactly what I wanted quickly and easily, on my phone. only downside...

Earlier my experience was better. Now whenever I save my edited video all the things vanishes away from inside the draft video. Every time I need to do it all over again. Why don't you save it as draft as it is???? Its getting irritated now. Please solve this issue. Draft means to start from we last...
