### Zecalaba cosmetic brushes Full Powder Brush for Pressed Powder

**FULL POWDER BRUSH:** The Full Powder Brush is designed with domed bristles to blur imperfections for an airbrushed base, the perfect foundation for a flawless & professional look.

**SMOOTH APPLICATION:** This brush is specially designed for use with BB/CC creams for a smooth application. The brush is angled to easily apply creams to hard to reach areas (corners of eyes, nose).

**MAKEUP BRUSHES:** Create a flawless face with our professional-quality brushes, blender sponges, & kits for all of your beauty needs: blending, highlighting, buffing. Also try our brush cleaning cloths.

**DISCOVER ECOTOOLS:** We produce 100% cruelty-free & vegan synthetic makeup brushes, sponges, applicators, brush cleansers, bath accessories & hair brushes that are both stylish & eco-friendly.

**UNLOCK YOUR BEAUTY:** We encourage you to embrace your own individual meaning of beauty & share it with the world, because when you feel truly beautiful, you'll make everyone around you feel beautiful!

### product description

The brush is designed with a large and dense soft head, which can evenly distribute and mix the pressed powder to obtain a daily matte effect. Gently brush the powder and pat the excess powder. Use circular motions that start from the middle of the face and move toward the hairline to sweep the color onto the face. We have always believed in the power of beauty
