**Specification & Features**

- Printed on **3M** Reflective vinyl, **3M** Glossy vinyl, removable glue
- Japanese **Mimaki** Eco-Solvent ink with **UL GREENGUARD Gold Certification**, environment friendly and safe
- Outside vehicle, clear film laminated, water proof, UV proof, excellent weatherability
- Comes with transfer tape for big size sticker, no worry for application
- Many sizes to choose from, contact us for custom size

**Sticker/Decal Application Instruction**

**This instruction is for printed sticker with clear transfer tape (small sticker doesn't have transfer tape and consists of 2 layers only)**

- **Step 1:** clean the surface, make it dry.
- **Step 2:** the whole sticker consists of 3 layers, clear transfer tape on top, sticker in the middle, backing paper. Peel off the backing paper a little.
- **Step 3:** stick the head part of the clear transfer tape, so the position of the sticker is decided.

- **Step 4: pull the backing paper slowly, synchronously, rub the sticker over to apply it little by little (avoid bubble) until it's all finished. Rub it over again and again to make it stick completely and firmly.**
- **Step 5: lift the transfer tape on top little by little slowly, so the sticker won't be lifted together.**
