About this item

- **【Material】** Sun Wukong is ceramic. If you have heard of its legends and read stories about him, you will like him.
- **【Advantages of Ceramics】** The mature ceramic craft makes the work of this aquarium ornament more exquisite, and through the high temperature firing, the color will be more vivid, will not fade, and be safe.
- **【Different Style】** Monkey King can match a rockery, a temple, a pavilion, or even a few ordinary stones to create unexpected results. With floating stone ornaments, the effect is even more magical.
- **【Multifunctional】** Can be used for aquarium decorations or as a bookcase ornament.
- **【Easy to Clean】** Satisfying the art and appreciation enjoyment and not requiring too much time management, and Easy to Clean-It is easy to use with simple water rinse, very convenient.

Please note that due to limitations in photography and the inevitable differences in monitor settings, the colors shown in the photography may not correspond 100% to those in the items themselves.
