About this item

- Sturdy personal toilet features a full-sized seat and lid for comfort for adults and kids alike. The compact portable toilet is like having your very own bathrooms for camping; perfect for hunting, fishing, road and boat trips, and a multitude of other uses!
- Our outdoor toilet has a 3-gallon freshwater holding tank and 5-gallon waste-water holding tank. A bellows pump attached to the camp toilet allows users up to 50 - 70 flushes before it's time to refill the freshwater tank!
- The freshwater tank and waste tank disconnect with easy-to-use side latches. Both tanks feature removable caps for trouble-free filling of fresh water and dumping of waste. Handles on each boat toilet tank make transporting this simple.
- A slide valve on the toilet for camping opens for waste and closes tightly, containing odors and providing a watertight seal to prevent against leakage. (Tip: Purchase deodorizing tablets for best smell-proof results).
- Made of high-density, easy-to-clean polyethylene, the heavy-duty personal porta potty can withstand the outdoor elements and extensive travel like a champ! Hiking toilet arrives fully assembled; 16.5" high x 13.5" wide x 12" deep; weighs 9.75 lbs.
