ADDITIONAL INFORMATION

Description

HGW Titan Slide for Glock 19 Gen 3, 9mm. For install on Glock 19 lower, Polymer80, or other compatible aftermarket.

A Hooper Gun Works Exclusive! An upper equally adapted to Everyday Carry and range competitions alike.

This is our top of the line slide, starting with the most expensive slide blank.

HGW Titan Custom Lightening Cut Slide (made in the USA):

- Gen 1-3 compatible, G19, 9mm
- CNC Machined from U.S. 17-4 stainless steel
 - 17-4 steel is far more resilient to impact forces than 416ss, both are good, 17-4 is

lines

- Heat Treated
- Top Ports
- Side cutouts, front serration cutouts
- Slanted front and rear serrations
- Custom “sculpted-design” nose, inspired by our shop’s love for classic cars and trucks.
- Deep chamfered edge, excellent edge machining quality. Again, the finest out there.

No internal parts included. Fitting may be required.
