Screen shot from website, showing mark in upper left corner, in use at www.galco.com/what-drives-our-industry-a-webinar-series-with-galco-and-abb/ accessed on June 8, 2022. The mark is being used to promote the goods and services of others.

The screenshot shows a web browser window with the address bar displaying galco.com/what-drives-our-industry-a-webinar-series-with-galco-and-abb/. The browser's address bar also shows several tabs: "What Drives Our Industry? A...", "www.homedepot...", "Coronavirus Toolk...", "New Tab", "Home", and "Sunrise".

The website's header features the **GALCO** logo on the left, a search bar with the placeholder text "Enter Item Number or Keyword", and the phone number **800-575-5562** on the right. Below the header is a blue navigation bar with the following links: "All Products", "Send-In Repair", "On-Site Repair", "Engineered Systems", "Galco TV", and "My Account".

The main content area is titled "A Webinar Series with **GALCO** & **ABB**". Below this, it says "Session Two" and "AC/DC DRIVES" in large blue letters, followed by "FLEXIBILITY, EFFICIENCY, AVAILABILITY".

The text continues: "Please join us on Wednesday, June 15 at 2pm EST for the second installment of our webinar series in partnership with ABB. In this session, you'll learn about:"

- New trends in drive technology and the industry
- Supply chain issues and how Galco and ABB are innovatively combating this with crossing and sizing solutions
- Digitalization and Energy Efficiency technology for I/O, optimization, and reduced energy use

An icon of a bar chart with an upward-pointing arrow is positioned to the right of the list. Below the list, it says: "Attendees will also have a chance to have their questions answered by our panel of experts. The first 25 registrants will receive a swag package! Fill out the form to register today!"

PANELISTS:
Michael Herman, ABB Inc.

On the right side of the page is a registration form with the following fields:
