## DESCRIPTION

## REVIEWS (0)

**YXJMQS LED luminaires Dimmable Recessed LED Downlight, 50W White Trim Attached, Trim Interchangeable, For All Furnishing Styles, 2700K Soft White, ETL-listed**

- Suitable for different furniture styles such as modern, artisan, traditional, etc. Simple and easy way to DIY new construction and remodeling. Interchangeable trim designs to enhance different ceiling colors.

- A 50W LED is equivalent to a 75W halogen fixture with the same performance and 87% less electricity. Environmentally friendly, free of mercury, UV, IR and other harmful emissions and radiation
- 10%-100% smooth dimming, instant on and no flicker. High quality LED, even and balanced lighting, no ghosting and glare. 2700K soft white creates a relaxed and warm atmosphere
- ETL listed reliable quality and safe operation. Estimated LED life of up to 46 years (3 hours/day), reducing the frequency of re-lighting. Suitable for wet locations
- Easy to install, standard E26 screw-in base adapter, convenient quick coupler for seamless connection to standard 4" recessed cans. Provides a five-year warranty

**Product Description**

High standard for high quality light

Integrated with high quality Epistar LEDs, this LED downlight produces an even and well-balance lighting output without ghosting and glare. With 10%-100% fully dimmable, it is no flicker, humming and pausing.

50W LED equivalent to 75W traditional halogen fixture, same performance with up to 87% less energy consumption.
