TQMPFCD Desk lamps LED Desk Lamp | Table Lamp, Task Lamp, 4 Brightness Settings | Great for Home, Office, Dorm, Sewing Table

- CREATIVE CURVES LED LAMP: The TQMPFCD Creative Curves LED Desk Lamp is a great addition to your desk or side table. Touch-sensitive controls easily switch between four brightness levels up to 375 lumens and the diffuser provides even lighting.

- **ENERGY EFFICIENT:** TQMPFCD Natural Daylight LEDs are rated to last up to 40,000 hours providing superb brightness with reduced glare and eyestrain. This modern work light will keep on shining for any job.
- **BUILT-IN USB PORT:** Includes a 5V, 2.1A USB port to fully charge phones and smartwatches, tablets, or any other USB powered device, making this light perfect for dorms, offices, living rooms or the bedside. It is a great gift for college students!
- **ADJUSTABLE NECK:** This light provides a great range of motion thanks to the adjustable neck that can extend the height from 11.25" to 23.75". Reposition the shade for the best glare-free position to suit your needs.
- **NATURAL DAYLIGHT:** TQMPFCD's engineers and researchers have focused on bringing the power of natural daylight indoors. TQMPFCD's unique daylight illumination shows colors accurately and details with amazing clarity and reduced glare and eyestrain.

Product Description

USB Charging Port (5V, 2.1A)

TQMPFCD provides a powerful 5V, 2.1A USB charging port that ensures full charging of tablets, phones and other devices.

Flexible Neck

Flexible neck provides infinite adjustment, and holds position ensuring proper light placement, based on your specific lighting needs.

Touch-Sensitive Switch

Easily change brightness settings with the touch of a finger. One switch on the base controls all light functions providing simple operation.
