Bumdouy Wine openers with Ergonomic Levers, Heavy-Duty Winged Corkscrews for Wine Enthusiast, Black

- Made to Last - Constructed of zinc alloy and ABS with elegant brushed finish, makes it ideal for any hectic work or leisure environment that both requires efficient use, the wine bottle opener can handle any kind of cork effortlessly
- Detail Matters -Thanks to the non-stick glided and even worm, that improves the grip and minimizes the crumbling of the cork, the quality guaranteed that the wing corkscrew wine opener can remove any natural or synthetic cork, in just 5 turns or less
- Never Mess A Cork - Simply position the wine opener above the cork, the self-centering bottom will fit the bottle in any sizes, it will avoid weird angles and broken corks
- Go Easy On Your Hand - Featured the curved 3" swings, the length made pulling on the handle much more effortless and gave a wine enthusiast confidence that the hand wouldn't slip
- Serving Wine A Breeze - The wine corkscrew is an excellent tool that lets you handle your intend as a wine enthusiast or professional sommelier in style and without any awkward pulling and tugging to get the cork off, the elegantly designed wine opener manual is also a great gift that anyone would love to receive it

Product Description

Wing openers are great for opening any bottle with a cork. Turning the large, soft knob drives the coated wire screw into the cork and lifts the gear-driven wing. As the cork slides out of the bottle, the cutter snaps back into the base of the corkscrew for easy storage when you're done pushing the wings down.
