MSKRZVA Solar powered lamps Solar Lights Outdoor, 3 Modes/LED Solar Security Lights Wireless IP65 Waterproof Solar Motion Lights Outdoor Solar Wall Lights Outdoor Lights for Front Door, Backyard, Garage, Deck...

- [Super Bright Solar Light]: The lighting range is wider; equipped with 20 LED lights, outdoor MSKRZVA solar sports lights provide greater luminosity coverage, and can illuminate about 30 square meters of space at night. The 1-piece package can illuminate your front door, backyard, garage, deck, garden, fence, etc.
- [3 thoughtful modes]: MSKRZVA solar motion sensor light has 3 modes to meet your different needs: 1.) Medium brightness mode; 2.) Low light sensing mode; 3.) Induction lighting mode. The powerful sensor ball head can provide a powerful motion sensitivity of up to 10-16 feet, providing convenience and safety for your life.
- [1800mAh large battery]: The outdoor solar wall lamp has 100 excellent LEDs, which can provide super bright lighting in a large area. Built-in 1800mAh lithium ion battery, after fully charged, the MSKRZVA solar safety light can light up for about 8-10h. This is a complete home security version, ideal for meeting your needs all night long.
- [IP65 Waterproof Solar Light]: More professional weather resistance; using IP65 waterproof technology, MSKRZVA solar safety light with motion sensor can withstand all kinds of bad weather. Even if it snows and freezes, they can survive the winter without any problems.
- [Best gift/gift]: High-efficiency solar panels and environmentally friendly. Hanging them is easy because they are beautifully designed and can only be found in a sunny place, and most importantly-they increase the space of the yard! Therefore, whether it is for parents, elders or friends, etc., especially on winter nights, they are the best gifts.
