PRODUCT DESCRIPTION

JWZAXXAO Eyewear cases Foldable Holder Easy to Carry Matte Leather & Magnet Closure for Reading, School, Office

Magnetic closure

Protection - Sturdy triangle form to protect you glasses with enough space that can fit most kind of glasses.

Material - High quality PU leather outside while silk velvet inside, protect your glasses well, will not be scratched. You can open or close it easily with the magnetic closure.

Metal Construction - Hard shell glasses case with an aluminum and cardboard core makes this a rugged, fold-flat case to protect your valuable shades.

Rest assured to buy, we strive to bring the best product and shopping experience, just contact the seller for any problems, and we will provide you the best service!

Product Description

You are looking for a fashionable accessory, no matter where you walk, do you have your glasses safe?

JWZAXXAO PU Leather hard-acceptable triangular glasses box is the perfect partner of glasses wearer. Whether you are climbing a mountain, participate in party, study in library or reading at home, then this glasses will make your glasses to achieve and have good protection.

JWZAXXAO glasses case suitable for blue shading glass, reading glasses, glasses, standard sunglasses and computer glasses. Its hard plastic housing prevents glasses from being disconnected, and its complete liner can prevent lens from scratching or dust.

Foldable triangular structure

The JWZAXXAO glasses box uses the most robust triangular structure, and the housing housing is made of high-strength high-quality PU leather, and the glasses arm and the lens can be protected from curvature or rupture even under powerful pressure. If not used.

Soft velvet

Our glasses cases are protected from scratch in ultrafine fiber interior protection lens. Soft lining is also ideal for protecting the lens from dust and residue, thereby keeping them clean. It will provide a beautiful home for your glasses.

Strong magnetic closed

The JWZAXXAO magnet can absorb 640 times the weight of its own weight, which is close to the glasses housing interface, effectively prevent the frame from falling out from the box, or into a foreign object as a lens.

Whether you're a picnic, or study at home

warn:

1. Use wipes or towels to clean.
2. Do not use water to wash directly to avoid contact with organic solvents.
3. Avoid exposure for a long time in the sun.
