Bucktown is a great putter

I have putted with everything. Scotty's, Betti's, Ect. I love my Bucktown. It feel great. The line align the face to the ball. It is simple and it rolls the balls straight and true.

Pro tip: Match it up with the W/S Triad and you will be shocked how your putting will improve. It putts so well you will wonder why you would pay what others want to putt worse.
